EDITOR VAN VALKENBURG OF NORTH AMERICAN DEFENDANT IN LIBEL SUIT

CHARLEROI BOTTLE BLOWERS PASS RESOLUTION DEFENDING MR. TENER

Candidate J. K. Tener Institutes Proceedings Against Philadelphia Man.

HEARING FRIDAY MORNING

Alleged That Charges Were Made Without Reason and as an Attempt to Personally Injure Plaintiff

Following closely upon his statement of Sunday night in which he detailed his connection with the Public Corporation and the Security Life Insurance company, Congressman John K. Tener, Republican candidate for Governor, yesterday issued a warrant in Philadelphia for the arrest of E. A. Van Valkenburg, editor and publisher of the North American, on a charge of criminal libel. The hearing will be held on Friday before Magistrate Gallagher, in that city, before whom the warrant was issued.

Editor Van Valkenburg's counsel, former Judge James Gay Gordon, said he was sorry the hearing was not arranged for an earlier date.

Immediately after swearing out the warrant, Mr. Tener left for Harrisburg. Henry F. Walton, chairman of the Republican State Committee, said Mr. Tener would be in the city on Friday ready for the hearing.

The warrant issued Monday is based on an attack begun by the North American on October 1 against Mr. Tener's business integrity. The charges have been reiterated daily. Briefly, they asserted that Mr. Tener was "a friend and associate of swindlers."

The correspondence by which notice of the warrant's issue and time for the hearing was conveyed is comprised in the following letters:

Mr. E. A. Van Valkenburg, Editor and President North American, Philadelphia:

Dear Sir—We represent Honorable John K. Tener. Mr. Tener had issued by Magistrate Gallagher a warrant for your arrest for criminal libel, and owing to Mr. Tener's engagements, which cannot be cancelled, we have suggested the magistrate that the hearing be held on Friday next at 11 o'clock a. m. Please refer us to your counsel with whom arrangements can be made for your appearance. We are yours truly

(Signed) FRANCIS SHUNK BROWN, A. S. L. SHIELD, GEORGE S. GRAHAM.

Mr. Van Valkenburg's reply reads: Gentlemen—I am just in receipt at this hour (10:30 a. m.) of your letter advising me that you represent the Honorable John K. Tener, and that he has had issued out of Magistrate Gallagher's office a warrant for my arrest on the charge of criminal libel. You also advise me that owing to Mr. Tener's engagements, which cannot be cancelled, you have suggested to the magistrate that the hearing be held on Friday.

I greatly regret that the proceeding must be deferred so long. As your client was in town this morning, can he not appear and testify at a hearing today at any hour convenient for him and for you? I will hold myself in readiness to appear with my counsel, James Gay Gordon, at any hour during the day or evening that you

Hallowe'en Celebration

Committee Arranging Affairs Getting Things in Shape.

From the interest that is being taken in the Hallowe'en celebration to be held here next Monday evening, it will without doubt be the biggest affair of the kind ever held in the Monongahela valley. The committee arranging the demonstration has everything on a tangible working basis, and yesterday the advertising of the demonstration was begun.

As last year, the feature will be the fantastic parade in the evening, in which it is thought that thousands will take part, all rigged in picturesque costumes. The parade will begin at 7:30 o'clock at the corner of First street and McKean avenue, and it will continue over the principal streets to end at a reviewing stand the location of which will be made known later. There will take place the awarding of the prizes, which are more varied and more extensive than last year. It is thought that there will be a large number of floats in line and there will be plenty of red fire and two bands. R. Dale Jolliffe, captain of the Boys' Brigade, has issued an order for all members to turn out in costume.

MINERS NOT FOR BERRY

Northern Laborers Are Strong for Republican Nominee.

"The sentiment in Cambria, Clearfield, Indiana and Tioga counties is unquestionably for Hon. J. K. Tener for Governor," said Dennis Oates, this morning the assistant postmaster at the local postoffice who has just returned from a two week's visit in that section. Mr. Oates while absent made particular effort to learn the real sentiment in the northern counties. Labor is particularly in favor of Mr. Tener, and vindictive toward the Keystone party in general, Mr. Oates said.

"The receptions tendered Mr. Tener in Indiana, Cambria, Clearfield and Tioga counties were most enthusiastic and especially in Clearfield and Indiana was his immense popularity attested. At one place in Clearfield county he was compelled to remain for three hours shaking hands with the crowds thronging past the place where he stood.

"The miners are the most ardent supporters Mr. Tener has in the section, and they are going to work their heads off to get him in office in preference to the Keystone candidates, whom they thoroughly dislike. Grim is the second choice; there is no third. It is not the Republican party the people there are in favor of, so much as it is John K. Tener. His admirable personality and friendly greeting to all won him friends everywhere he went during his recent visit, and by the same token won him votes.

"These four counties are really

SHOOTING CULMINATES FROM ARREST OF MAN

Foreigner Killed at Gallatin by Constable Who Thought Party Were Following Him Intent Upon Injury.

From the effects of a bullet wound in the abdomen inflicted early this morning by Constable Habaugh of Gallatin John Hudoza, 20 years old, of the same place died in the Memorial Hospital at 6 o'clock this morning.

Constable Habaugh gave himself up to the Allegheny county authorities, but it is thought he will not be held after an investigation.

The affair was the outcome of the arrest of Andy Ketzer, for beating his wife. Last night there was a wedding at No. 26 house at Gallatin and Constable Habaugh was there to maintain order. Foreigners at the

celebration asked him to let Ketzer go, and the Constable referred them to Justice of the Peace Graham. When the festivities were over and the constable started home, he discovered that some of the foreigners were following him. He ducked behind a car and as he thought they were about to close up upon him fired a shot toward Hudoza's legs, not intending to not hit anyone, but more for the purpose of frightening the men. The bullet struck Hudoza in the abdomen. The constable called Dr. Warren and at 4 o'clock the foreigner was taken to the hospital where he died at 6 this morning.

GOVERNOR STUART SPEAKS STRONGLY FOR THE TICKET

Especially in Favor of Charleroi Man Who is the Republican Party's Standard Bearer.

At a rousing meeting in Harrisburg last evening Governor Edwin S. Stuart formally endorsed Congressman John K. Tener as his successor in office. The meeting was held at the court house, and besides Governor Stuart and Mr. Tener the other speakers were the candidates on the State ticket and Lieutenant Governor Robert S. Murphy, Adjutant General Thomas J. Stewart, Congressman M. E. Olmsted, Deputy Attorney General W. M. Hargest and Perry A. Shaner of Pittsburgh. So large a crowd assembled that an open air meeting was held outside the court house.

Governor Edwin S. Stuart presided at the meeting held in the court house, it being his first appearance in the campaign and made a short speech in presenting Mr. Tener in which he said in part:

"I am here tonight as a Republican in favor of the candidates of the Republican party. We have our nominee for Congress in this district here tonight and that is one of the many important things in the campaign; but I am here tonight to preside and introduce to you, among the other candidates, the candidate of the Re-

publican party for Governor of the State of Pennsylvania.

"I had a very frank talk with the candidate and he assured me that he understands thoroughly the responsibilities of the great office for which he is a candidate, and if elected to that office his only ambition will be to give an honorable administration in the interest and for the benefit of all the people of Pennsylvania. He assures me that there are no other obligations to ask him or make him do anything else, and the one thing he desires and the one thing he will do, that on every question coming before him for his approval for action, he will use his judgment and be guided by what he thinks is for the best benefit of Pennsylvania and here people.

"I take great pleasure in introducing you to the man who is the candidate of the Republican party and the man who I am satisfied will do what he promises you he will do if elected to that high and honorable office. I say that with all sincerity."

Mr. Tener's speech was confined almost exclusively to State issues and he only referred the charges against him briefly.

ST. ELMO TONIGHT AT COYLE THEATRE

Judging from the advance sale of seats at the Coyle Theatre "St. Elmo," the first road show of the season to be presented this evening will play to a crowded house. This beautiful play of southern life is dramatized from Augusta J. Evans popular novel by Neil Twomey, and is one of the great dramatic successes of the season.

The character of St. Elmo offers rich possibilities and the chief aim of the dramatist has been to preserve the charm of this man turned against the world and himself by early disappointment. He has drawn with loving and sympathetic career a life-like portrait of the author's creation and surrounded him with the leading characters of the book interpreted with the same careful adherence of the original type. It is a study of the people of the south where romance reigned untainted in the days before the war, when Chattanooga was a village and before the influx of northern capital had entirely changed the complexion of the country.

In selecting the cast for this play Mr. Twomey under whose personal supervision the production has been made, exercised the same care in engaging the various players as he used in reproduction the types, with the result that author and actor alike contribute to an accurate preservation of the atmosphere of the

Tries to Find Berry Ardents

Traveling Man Fails to Locate Sentiment for Keystone Candidate Here.

A man supposed to be representing the Keystone party, and directly or indirectly the Philadelphia North American, was in Charleroi this morning, endeavoring to locate some Berry sentiment among the business men, but after spending a short time here it is said became disgusted with the job, gave it up and went to Brownsville to Diogenes like, continue his search.

The man made visits to business houses notably drug stores and banks, but the information he learned was that Tener was strong in Charleroi whereas Berry was almost forgotten. In conversation with a Mail representative he admitted Mr. Tener was very strong over the State, and did not go the extreme of claiming in Washington Observer style, a victory for Berry and Gibboney.

Charleroi Man Claims Damages for Injuries.

Doss James of Fallowfield avenue, Charleroi, formerly a singer at a Donora theatre, has through his attorney, Hugh E. Fergus, filed a suit against the Pennsylvania railroad company to recover \$200 damages for injuries that he claims he sustained at the station at Donora, caused by falling into a hatchway used as an entrance to the cellar of the station. The accident happened many months ago late at night when James was returning home from his employment there. Since that time he has been compelled to use a cane in walking.

INFLUENCE WAS MUCH FELT

Man Now Candidate for Governor Largely Responsible for Getting Imperial Company Here.

The statements that have been circulated against Congressman John K. Tener, Republican candidate for Governor, charging that he was hostile to organized labor, and for that reason was opposed by the working people of his own town, has received another quietus in the shape of a denial by the Charleroi local union of the Glass Bottle Blowers' Association which at a meeting held here Saturday evening adopted the following resolution:

Glass Bottle Blowers' Association, Local Union No. 93.

Charleroi, Pa., Oct. 22, 1910.

At a meeting of Local Union No. 93, Glass Bottle Blowers' Association, comprising principally the employees of Imperial Glass company plant at Charleroi, Pennsylvania, the following resolution was regularly instructed and passed:

Whereas, certain newspapers antagonistic to the candidacy of our fellow townsman, John K. Tener, candidate for Governor of the State of Pennsylvania, have been circulating and publishing statements setting forth that Mr. Tener is unfriendly to union labor; and

Whereas we believe these statements to be wholly unjustified and untrue; now, therefore, be it resolved as follows:

That our Local Union hereby certifies and informs all labor unions, trades councils and union workmen in the State of Pennsylvania that

First, John K. Tener was prominently active in procuring the removal to Charleroi of the Imperial Glass company, manufacturers of glass bottles, by being a contributor to the bonus fund, a solicitor for subscriptions thereto, and by acting at the time of said removal and continuing to the present day to act as treasurer of the fund raised to secure said factory.

Second, That the efforts of the said John K. Tener were largely instrumental in procuring union work for a large number of union men, members of this Local at Charleroi, and thus preventing the necessity for their seeking employment and residence away from Charleroi.

Third, That the said John K. Tener personally and specifically made it a condition of the raising of said fund and the removal of said plant to Charleroi and its operation here that the Union should be recognized in the agreement.

(Seal) Henry F. Acker, President.

Attest: Robert Beaver, Secretary.

This resolution was supplemented by the following statement of Secretary and Treasurer Harry J. Booth of the Imperial Glass company, showing that through Mr. Tener's action the agreement was made on condition that the Bottle Blowers' Union be

On the Run

The manly and straightforward
statement of Congressman J. K. Tener
in reply to the scurrilous charges of
the Philadelphia North American, to-
gether with his action in issuing a
warrant for the arrest of E. A. Van
Valkenburg, the editor of that paper
on a charge of criminal libel, has
caused a decided downward drop of
the Keystone balloon. Emboldened
by the scurrilous charges of the
North American, the Berry crowd
indulged in a brief paroxysm of jubi-
lant, which, however, is doomed to
be of brief duration. From this time
on the Tener sentiment will continue
to gain in volume.

As to the North American, that
scurrilous paper has no doubt figured
in the cost of a libel suit and its
penalties as a part of the campaign
expenses. When it is charged that
the managers of the paper paid fabu-
lous sums for the information they
tried to use to advantage against Mr.
Tener, the cost of a libel suit will
appear cheap. Mr. Van Valkenburg,
the editor, has had previous exper-
iences in criminal court, having been
arrested and held for the charge of
bribery in the Legislature which his
friends "fix up" by the payment of
enormous costs after his attempts
had proven futile. For that reason
he doubtless calculated that a possi-
ble fine and jail sentence after the
election would be a cheap price to
pay if he had in the meantime com-
passed Mr. Tener's defeat. Van
Valkenburg and his crowd will fail as
they always have before in their
nefarious business of calumny and
slander.

Good Promotion Plan

Washington has started out in the
proper manner to boom the town and
to conduct their board of trade along
business methods. This action sets
an example that Charleroi might
follow with profit. The county seat
board of trade will employ a secre-
tary and general manager at a salary
of \$3,000 a year to look after and
promote the interests of Washington,
to advertise the town, and to get in
touch with and bring new industries
there. The new secretary and man-
ager resigns his position as industrial
agent for a large railroad corporation
to accept the position, and this is
evidence that he can no doubt measure
up to the requirements.

J. K. Jonston's plan for securing a
fund in Charleroi for a similar cam-
paign of promotion is a good one.
He suggests that inasmuch as there is
approximately \$400,000 in unproduc-
tive capital invested in vacant lots in
Charleroi that the owners pay an as-
sessment of one per cent a year to
a booster fund for the town. This
would enable the employment of a
permanent secretary and the prosecu-
tion of a systematic campaign, the re-
sults of which would no doubt open a
market for the vacant lots, enhance
their value and make the capital in-
vested in them productive. The plan
is feasible and not burdensome to any
one individual. It should be put
into execution if possible at once.

A Poor Memory

Former Congressman E. F. Ache-
son's Washington Observer still per-
sists that Congressman J. K. Tener
was nominated Governor by Penrose,
notwithstanding the delegates that
made up the convention were chosen
by popular vote. Mr. Acheson must
have suffered a lapse of memory when
he charges bossism. If he will look
over the files of his Observer previous
to the last primary election, he will
find that through his paper he put up
a fight on what it term the "Penrose
slate of delegates." There were a
number of candidates in the field, and
the Observer picked out what it al-
leged was an anti-Penrose list of
delegates, put up a fight for it and
got "licked."

What the Acheson interests did in
Washington county could have been
done in every county of the State.
There was an open and a fair field for
any anti-Penrose or any other candi-
date for delegates that might have
entered the contest. They were all
chosen by the voters, and there was
the place to have threshed out party
differences. The fact that Acheson
got "licked" in Washington, and
numerous contests in other counties
resulted in the same way, showed
that the voters decided how they
wanted affairs to continue. Before
the primary Mr. Acheson's Observer
was active in urging the voters to
knock out the so-called Penrose ring
by electing anti-Penrose delegates.
After it got "licked" at the polls it
asserts that the delegates are cor-
rupted.

the negotiations for the removal of

the understanding that the Union
should be recognized in the agree-

MINERS NOT FOR BERRY

(Continued from First Page).

counted Republican territory, but the Democrats are very strong and aggressive. Mining is the chief industry, and in the fifteenth district William B. Wilson the former national secretary-treasurer of the United Mine Workers of America is a candidate for the third term to Congress. Right here is where the boastful Keystone party shows its hypocrisy and utter lack of sincerity. Wilson is a Democrat. The Keystone party has endorsed Democrats at wholesale rate all over the State, for Congress and various other offices, but in spite of the endeavors of Wilson's friends to have him placed on the ticket in that district, he has been given the cold shoulder. Now the miners are angry, and it will be a cold day for Berry and his bunch when the votes are counted in the district. Besides this fact the miners are sore because one of the leading Keystone party men, is Baer of anthracite coal notoriety whom they thoroughly detest from past experience. Baer is said to have worked to prevent Wilson's endorsement by the Keystone party.

"In Cambria county there are two miners, Dunn and Pitchford, running for the Legislature, the former for reelection. These have both been given the go-by by the Keystone party. They are Tender men and are sure of election."

EDITOR VAN VALKENBURG OF NORTH AMERICAN DEFENDANT IN LIBEL SUIT

CHARLEROI BOTTLE BLOWERS PASS RESOLUTION DEFENDING MR. TENER

Candidate J. K. Tener
Institutes Proceedings
Against Philadelphia
Man.

HEARING FRIDAY MORNING

Alleged That Charges Were
Made Without Reason and
as an Attempt to Person-
ally Injure Plaintiff

Following closely upon his state-
ment of Sunday night in which he
detailed his connection with the Public
Corporation and the Security Life
Insurance company, Congressman
John K. Tener, Republican candidate
for Governor, yesterday issued a war-
rant in Philadelphia for the arrest of
E. A. Van Valkenburg editor and
publisher of the North American, on a
charge of criminal libel. The
hearing will be held on Friday before
Magistrate Gallagher, in that city,
before whom the warrant was issued.

Editor Van Valkenburg's counsel,
former Judge James Gay Gordon, said
he was sorry the hearing was not
arranged for an earlier date.

Immediately after swearing out
the warrant, Mr. Tener left for
Harrisburg, Henry F. Walton, chair-
man of the Republican State Commit-
tee, said Mr. Tener would be in the
city on Friday ready for the hearing.

The warrant issued Monday is based
on an attack begun by the North
American on October 1 against Mr.
Tener's business integrity. The
charges have been reiterated daily.
Briefly, they asserted that Mr. Tener
was "a friend and associate of
swindlers."

The correspondence by which notice
of the warrant's issue and time for
the hearing was conveyed is comprised
in the following letters:

Mr. E. A. Van Valkenburg, Editor and
President North American, Phila-
delphia:

Dear Sir—We represent Honorable
John K. Tener. Mr. Tener has
issued by Magistrate Gallagher a
warrant for your arrest for criminal
libel, and owing to Mr. Tener's
engagements, which cannot be can-
celled, we have suggested the magis-
trate that the hearing be held on Fri-
day next at 11 o'clock a. m. Please
refer us to your counsel with whom
arrangements can be made for your
appearance. We are yours truly
(Signed)

FRANCIS SHUNK BROWN,
A. S. L. SHIELD,
GEORGE S. GRAHAM.

Mr. Van Valkenburg's reply reads:
Gentlemen—I am just in receipt at
this hour (10:30 a. m.) of your letter
advising me that you represent the
Honorable John K. Tener, and that
he has had issued out of Magistrate
Gallagher's office a warrant for my
arrest on the charge of criminal libel.
You also advise me that owing to
Mr. Tener's engagements, which can-
not be cancelled, you have suggested
to the magistrate that the hearing be
held on Friday.

I greatly regret that the proceeding
must be deferred so long. As your
client was in town this morning, can
he not appear and testify at a hearing
today at any hour convenient for
him and for you? I will hold myself
in readiness to appear with my coun-
sel, James Gay Gordon, at any hour
during the day or evening that you

Hallowe'en
Celebration
Committee Arranging Affair
Getting Things in
Shape.

From the interest that is being
taken in the Hallowe'en celebration
to be held here next Monday evening,
it will without doubt be the biggest
affair of the kind ever held in the
Monongahela valley. The committee
arranging the demonstration has
everything on a tangible working
basis, and yesterday the advertising
of the demonstration was begun.
As last year, the feature will be
the fantastic parade in the evening,
in which it is thought that thousands
will take part, all rigged in pictur-
esque costumes. The parade will
begin at 7:30 o'clock at the corner of
First street and McKean avenue, and
it will continue over the principal
streets to end at a reviewing stand
the location of which will be made
known later. There will take place
the awarding of the prizes, which are
more varied and more extensive than
last year. It is thought that their
will be a large number of floats in
line and there will be plenty of red
fire and two bands. R. Dale Joffile,
captain of the Boys' Brigade, has
issued an order for all members to
turn out in costume.

MINERS NOT
FOR BERRY
Northern Laborers Are
Strong for Republi-
can Nominee.

"The sentiment in Cambria, Clear-
field, Indiana and Tioga counties is
unquestionably for Hon. J. K. Tener,
for Governor," said Dennis Oates,
this morning the assistant post-
master at the local postoffice who has
just returned from a two week's visit
in that section. Mr. Oates while
absent made particular effort to learn
the real sentiment in the northern
counties. Labor is particularly in
favor of Mr. Tener, and vindictive
toward the Keystone party in general,
Mr. Oates said:
"The receptions tendered Mr.
Tener in Indiana, Cambria, Clearfield
and Tioga counties were most enthu-
siastic and especially in Clearfield and
Indiana was his immense popularity
attested. At one place in Clearfield
county he was compelled to remain for
three hours shaking hands with the
crowds thronging past the place where
he stood.

"The miners are the most ardent
supporters Mr. Tener has in the sec-
tion, and they are going to work their
heads off to get him in office in pre-
ference to the Keystone candidates,
whom they thoroughly dislike. Grim
is the second choice; there is no third.
It is not the Republican party the
people there are in favor of, so much
as it is John K. Tener. His admirable
personality and friendly greeting to
all won him friends everywhere he
went during his recent visit, and by
the same token won him votes.
"These four counties are really

SHOOTING CULMINATES
FROM ARREST OF MAN
Foreigner Killed at Gallatin by Constable Who
Thought Party Were Following Him
Intent Upon Injury.

From the effects of a bullet wound
in the abdomen inflicted early this
morning by Constable Habaugh of
Gallatin John Hudoza, 20 years old,
of the same place died in the Mem-
orial Hospital at 6 o'clock this morning.
Constable Habaugh gave himself up
to the Allegheny county authorities,
but it is thought he will not be held
after an investigation.
The affair was the outcome of the
arrest of Andy Ketzner, for beating
his wife. Last night there was a
wedding at No. 26 house at Gallatin
and Constable Habaugh was there to
maintain order. Foreigners at the
celebration asked him to let Ketzner
go, and the Constable referred them
to Justice of the Peace Graham.
When the festivities were over and the
constable started home, he discovered
that some of the foreigners were
following him. He ducked behind a
car and as he thought they were about
to close up upon him fired a shot
toward Hudoza's legs, not intending to
hit anyone, but more for the pur-
pose of frightening the men. The
bullet struck Hudoza in the abdomen.
The constable called Dr. Warren and
at 4 o'clock the foreigner was taken
to the hospital where he died at 6 this
morning.

GOVERNOR STUART SPEAKS

Especially in Favor of Charleroi Man Who is the
Republican Party's Standard

At a rousing meeting in Harrisburg
last evening Governor Edwin S.

court house, and besides Governor
Stuart and Mr. Tener the other speak-
ers were the candidates on the State
ticket and Lieutenant Governor
Robert S. Murphy, Adjutant General
Thomas J. Stewart, Congressman M.
E. Olmsted, Deputy Attorney General
W. M. Hargest and Perry A. Shaner
of Pittsburgh. So large a crowd as-
sembled that an open air meeting
was held outside the court house.

Governor Edwin S. Stuart presided
at the meeting held in the court
house, it being his first appearance in
the campaign and made a short speech
in presenting Mr. Tener in which he
said in part:
"I am here tonight as a Republi-
can in favor of the candidates of the
Republican party. We have our

here tonight and that is one of the
many important things in the cam-

Traveling Man Fails to Lo-
cate Sentiment for Key-
stone Candidate Here.

A man supposed to be representing
the Keystone party, and directly or
indirectly the Philadelphia North
American, was in Charleroi this
morning, endeavoring to locate some
Berry sentiment among the business
men, but after spending a short time
here it is said became disgusted with
the job, gave it up and went to
Brownsville to Diogenes like, continue
his search.
The man made visits to business
houses notably drug stores and banks,
but the information he learned was
that Tener was strong in Charleroi
whereas Berry was almost forgotten.
In conversation with a Mail represen-
tative he admitted Mr. Tener was
very strong over the State, and did
not go the extreme of claiming in
Washington Observer style, a victory
for Berry and Gibbonney.

INFLUENCE WAS MUCH FELT

Man Now Candidate for Gov-
ernor Largely Responsible
for Getting Imperial Com-
pany Here.

The statements that have been cir-
culated against Congressman John K.
Tener, Republican candidate for
Governor, charging that he was hostile
to organized labor, and for that
reason was opposed by the working
people of his own town, has received
another quietus in the shape of a
denial by the Charleroi local union of
the Glass Bottle Blowers' Association
which at a meeting held here Satur-
day evening adopted the following
resolution:

Glass Bottle Blowers' Association,
Local Union No. 98.

Charleroi, Pa., Oct. 22, 1910.

At a meeting of Local Union No.
98, Glass Bottle Blowers' Association,
comprising principally the employees
of Imperial Glass company plant at
Charleroi, Pennsylvania, the following
resolution was regularly instructed
and passed:

Whereas, certain newspapers at-
tenuate to the candidacy of our fellow
townsman, John K. Tener, candidate
for Governor of the State of Pennsylv-
vania, have been circulating and pub-
lishing statements setting forth that
Mr. Tener is unfriendly to union labor;
and

Whereas we believe these state-
ments to be wholly unjustified and
untrue; now, therefore, be it resolved
as follows:

That our Local Union hereby cer-
tifies and informs all labor unions,
trades councils and union workmen in
the State of Pennsylvania that

First, John K. Tener was promi-
nently active in procuring the re-
moval to Charleroi of the Imperial
Glass company, manufacturers of
glass bottles, by being a contributor
to the bonus fund, a solicitor for sub-
scriptions thereto, and by acting at
the time of said removal and continu-
ing to the present day to act as treas-
urer of the fund raised to secure said
factory.

Second, That the efforts of the
said John K. Tener were largely in-
strumental in procuring union work
for a large number of union men,
members of this Local at Charleroi,
and thus preventing the necessity for
their seeking employment and resi-
dence away from Charleroi.

Third, That the said John K.
Tener personally and specifically made
it a condition of the raising of said
fund and the removal of said plant to
Charleroi and its operation here that
the Union should be recognized in the
agreement.

(Seal) Henry F. Acker,
President.

Attest:
Robert Beaver,
Secretary.

This resolution was supplemented
by the following statement of Secre-
tary and Treasurer Harry J. Booth of
the Imperial Glass company, showing
that through Mr. Tener's action the
agreement was made on condition
that the Bottle Blowers' Union be

On the Run

The manly and straightforward statement of Congressman J. K. Tener in reply to the scurrilous charges of the Philadelphia *North American*, together with his action in issuing a warrant for the arrest of E. A. Van Valkenburg, the editor of that paper on a charge of criminal libel, has caused a decided downward drop of the Keystone balloon. Emboldened by the scurrilous charges of the *North American*, the Berry crowd indulged in a brief paroxysm of jubilation, which, however, is doomed to be of brief duration. From this time on the Tener sentiment will continue to gain in volume.

As to the *North American*, that scurrilous paper has no doubt figured in the cost of a libel suit and its penalties as a part of the campaign expenses. When it is charged that the managers of the paper paid fabulous sums for the information they tried to use to advantage against Mr. Tener, the cost of a libel suit will appear cheap. Mr. Van Valkenburg, the editor, has had previous experiences in criminal court, having been arrested and held for the charge of bribery in the Legislature which his friends "fix up" by the payment of enormous costs after his attempts had proven futile. For that reason the doubtless calculated that a possible fine and jail sentence after the election would be a cheap price to pay if he had in the meantime encompassed Mr. Tener's defeat. Van Valkenburg and his crowd will fail as they always have before in their nefarious business of calumny and slander.

Good Promotion Plan

Washington has started out in the proper manner to boom the town and to conduct their board of trade along business methods. This action sets an example that Charleroi might follow with profit. The county seat board of trade will employ a secretary and general manager at a salary of \$3,000 a year to look after and promote the interests of Washington, to advertise the town, and to get in touch with and bring new industries there. The new secretary and manager resigns his position as industrial agent for a large railroad corporation to accept the position, and this is evidence that he can no doubt measure up to the requirements.

J. K. Jonston's plan for securing a fund in Charleroi for a similar campaign of promotion is a good one. He suggests that inasmuch as there is approximately \$400,000 in unproductive capital invested in vacant lots in Charleroi that the owners pay an assessment of one per cent a year to a booster fund for the town. This would enable the employment of a permanent secretary and the prosecution of a systematic campaign, the results of which would no doubt open a market for the vacant lots, enhance their value and make the capital invested in them productive. The plan is feasible and not burdensome to any one individual. It should be put into execution if possible at once.

A Poor Memory

Former Congressman E. F. Acheson's Washington Observer still persists that Congressman J. K. Tener was nominated Governor by Penrose, notwithstanding the delegates that made up the convention were chosen by popular vote. Mr. Acheson must have suffered a lapse of memory when he charges bossism. If he will look over the files of his Observer previous to the last primary election, he will find that through his paper he put up a fight on what it term the "Penrose slate of delegates." There were a number of candidates in the field, and the Observer picked out what it alleged was an anti-Penrose list of delegates, put up a fight for it and got "licked."

What the Acheson interests did in Washington county could have been done in every county of the State. There was an open and a fair field for any anti-Penrose or any other candidate for delegates that might have entered the contest. They were all beaten by the voters, and there was no place to have threshed out party differences. The fact that Acheson got "licked" in Washington, and numerous contests in other counties resulted in the same way, showed that the voters decided how they wanted affairs to continue. Before the primary Mr. Acheson's Observer was active in urging the voters to knock out the so-called Penrose ring by electing anti-Penrose delegates. After it got "licked" at the polls it asserts that the delegates are controlled.

FEW HOURS ILLNESS

RESULTS IN DEATH

From antioxytication, from which he had suffered only a few hours, Chester Addison Clark, 5 years old, the son of Mr. and Mrs. W. C. Clark, of 922 McKean avenue, died last evening at 6:15 o'clock. The parents are the only surviving members of the family, it being the only child. Funeral arrangements have not been made yet and will not be until the father arrives from Ohio where he is employed.

State Committee Serene

D. M. McCloskey, Esq., returned today from Philadelphia, where he was called on business. While in the city Mr. McCloskey visited Republican State headquarters where, he said he was informed that conditions in a campaign for Governor were never in better shape at this time before the election. Those who have a tab on things all over the State say it is only a question of the size of the majority for Tener.

I could not take the greasy mixture, and when our druggist told me that VINOL contained not only tonic iron but all the medicinal properties of Cod Liver Oil without the grease or oil or bad taste, I made up my mind that was the medicine for me. I tried it and to-day am strong and well."

I observe that Mr. Tener's speaking engagement tonight is at Harrisburg, so that he could readily be present and under oath state his case against me and submit to cross examination this afternoon, and reach the State capital in time for the political meeting he is to attend. May I urge that you adopt this course, if at all possible? If not, then I will be very glad to appear at any earlier day than Friday at the county magistrate's office for the purpose of testimony. Will you kindly communicate on this subject promptly with my counsel? I thank you for the courtesy of your letter.

Yours very truly,

Charleroi, Pa., Oct. 22, 1910.
I, Harry J. Booth, Secretary and Treasurer of Imperial Glass company, do hereby certify that I have read the attached resolution and concur in the information therein imparted. At the time the negotiations were pending for the removal of our glass factory to Charleroi during the month of August, 1908, Mr. Tener personally stated to me, as the representative of the Imperial Glass company, that the negotiations for the removal of the plant to and its operation at Charleroi would be concluded only upon the understanding that the Union should be recognized in the agreement.

W. F. Henning is Having a Wonderful Sale of Thompson's Barosma the Mighty Kidney and Liver Specific

And no wonder, when he offers to refund you money if it doesn't cure any disease of the kidneys, liver or bladder, backache, sideache, nervousness, or any weakness of the kidneys. But Thompson's Barosma has made so many almost miraculous cures that Mr. Henning is pretty certain not to have any returns.

Here are a few instances:
Frank K. Sturges, Sturtevant, Crawford Co., Pa., was cured of Bright's disease, six years ago, and only took 6 bottles. He has had no bad symptoms since.

"I had kidney trouble and enlargement of the liver and spleen. I took Thompson's Barosma. The first bottle reduced the measurement around my stomach from 45 to 36 inches, and several bottles completely cured me."

—M. S. Langworthy, Tyroneville, Pa.
Mrs. Fred Lobnitz, of Titusville, Pa., writes that her four year old son was permanently cured of chronic bed-wetting with 3 bottles of Thompson's Barosma.

Orson Hopkins of Townville, Pa., was refused life insurance because of kidney complaint, and told that he would not live many months. Five

Beware of Ointments for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces, such ointments should never be used except on prescription from a reputable physician. As the chance of doing it is ten fold to the good you can possibly derive from them, if you suffer from Catarrh, buy F. J. Cheney & Co.'s Catarrh Cure, containing no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying HALL'S Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Send 10¢ for sample. Price 50¢ per bottle. bottles cured him as it has cured thousands before him and thousands since.

After suffering the terrible agony of rheumatism for 10 years, being compelled to use crutches, J. N. Dunn, Troy Center, Pa., after all hope had left him and he had no faith in any remedy, took 6 bottles of Thompson's Barosma, threw away his crutches and went to work for the first time in 10 years.

These statements are absolutely true and the Thompson Medical Co., Titusville, Pa., will prove it. Then why should anyone suffer in the face of such facts? How can they suffer when W. F. Henning's guarantees to refund the money if a cure is not effected. Thompson's Barosma, 50 cents and \$2.00 a bottle.
